

Students Blabber :

SHIFANAZ
3rd Year, EEE, RRIT

One of the prestigious institutions in Bangalore which has a serene atmosphere. The institution caters the need of modernity and is a wonderful campus with supporting staff who enrich our knowledge.

RRI is a cocoon where ideas are shaped and dreams are given a touch of reality. Extra curricular activities are abundant and the enthusiasm is infectious. National conference, technological event, alumni meet, community service, blood donation are few of the events held in the campus of RRIIT.

SHREYAS NADIG
4th Year, ECE, RRIT

I came to the lush green pollution free campus to receive an effective education unknowing of what lied ahead. The institute gives colorful outlook during the cultural, KALATARRANGA which gives many cherished memories. It gives me immense pleasure to state that is RRCONs.

Ranjana Mahata
3rd Year, GNM, RRSON

I am very much delighted to stay in RRP as I do not lack the feel of missing home or my culture as every culture is well respected and celebrated through various festivals and events held in the campus.

Ricky Royleang
Civil, RRP

ABOUT THE INSTITUTION

RR Institutions were established in the year 1993 in the northern part of Bengaluru in the midst of burgeoning industrial belt, with a salubrious weather condition throughout the year, under the aegis of PKM educational trust with the mission of imparting education to the lowest echelon of the society. Under the umbrella of RR Institutions, several niche institutions viz., RR College of Pharmacy, RR School and College of Nursing, RR Institute of Medical Science, RR Institute of Technology, RR School of Architecture, RR Polytechnic, RR Institute of Advance Studies, RR Institute of Management Studies, Academy for Learning, Bachelor of Education, Pre University College, are catering to the needs of all the sections of the society.

The RR Institutions are growing leaps and bounds under the visionary leadership of Sri. Y Raja Reddy, the Chairman of PKM educational trust, and his worthy and passionate sons, Sri. H.R. Kiran and Sri.H.R. Arun.

The institutions are spread across 27 acres of verdant green campus which is vibrant and student friendly. The institution is very well known for its international standard auditorium and exclusive student placement and skill enhancement training hub. Curricular, co-curricular, and extracurricular activities are supported by very well experienced and dedicated faculty drawn from various premier institutions across the country.

The alumni of the institution, the beacon lights, are spread across the globe bringing laurels to the institution and society by contributing immensely as technocrats, service providers and entrepreneurs.

ABOUT THE APP & CONCLAVE

Presently, students of Pre University have difficulty in finding appropriate course material or course content in the preparation for competitive exams viz., COMED-K, K-CET, NEET, NATA, JEE, JEE – Advanced. This has necessitated the students of RR Institutions to embark on the development of an android app first of its kind, for their juniors. The android app contains old question papers from competitive exams with exact answers, course materials, related video links, and e-mail/WhatsApp numbers of subject experts for queries and chats. The app provides information of circulars and notifications from all competitive examination authorities as and when they are updated.

The students of RR Institutions, over the years, have developed patentable and marketable products through their project work in the nation building process. The projects will be exhibited in the institution campus prior to the launch of android app.
