3	Units/ Modules in the syllabus are relevant to the course	82.00
4	The modules of a subject are covered within the stipulated time frame period.	85.00
5	Syllabus is updated as per Industry Standards	88.00
6	The offering of the electives in terms of their relevance to the specialized streams & is based on industry expectations	89.00
7	Skill enhancements activities/ practical experiments in courses are helpful in inculcating the employability skills.	81.00
8	The study resources are available for courses in curriculum.	85.05
9	Fair allocation of the credits to the core subject and elective courses is found in the curriculum	86.00
10	The continuous internal evaluation scheme is fairly designed for each of the course/ subjects.	84.00
	Total Average Percentage	85.31
