The Total blood donated in our institution is 216 units

Eye screening Inauguration function held at seminar hall, Main block

Dr Thungappa told that the significance of eye screening will come to know the actual visibility of our eyes. The appropriate treatment for eye defected cases is provided free of cost to the students. They have also issued card for further testing in their hospital. Hence our students are greatly benefited to avail this humanitarian service.

The event was organized in association with Lions blood bank. According to the survey, one donation can save as many as three lives, and someone in india needs blood every one seconds. It turns out that donating blood doesn't just benefit recipients. There are health benefits for donors, too, on top of the benefits that come from helping others. Read on to learn the health benefits of donating blood and the reasons behind them. Donating blood has benefits for your emotional and physical health. According to a report by the Mental Health Foundation, helping others can:

- reduce stress
- improve your emotional well-being
- benefit your physical health
- help get rid of negative feelings
- provide a sense of belonging and reduce isolation

Blood donation may lower the risk of heart disease and heart attack. This is because it reduces the blood's viscosity.

Yours faithfully
RAVI MA

The Principal R R Institute of Technology Bangalore

Sub: Thank you note from Campus 2 Community

Dear Sir/Madam

We truly appreciate and extend our heartfelt thanks to your support and coordination for our mega mass event "SCHOOL BELL" to rejuvenate 150 Govt Schools located in the remote rural villages by sending your (NSS/ART/Architecture) volunteers from the college.

This event was a great opportunity to bring together the diverse institutions and organizations that are willing to work together for the development of community. The time and effort dedicated by you, Students and also Professors from your college for this Campaign is highly appreciated and commendable.

The event "SCHOOL BELL" was a resounding success, but we could not have done it without your support. We would like to take this opportunity to say a heartfelt "THANK YOU" and appreciate your time, energy and zealous support. We look forward to get associated with your for many other projects as such. Once again, thank you so much for your support.

Thanking you

Warm regards Campus 2 Community
