INTRODUCTION

The Green Club which has the student members strives to develop love of nature and adventure and to instill awareness of the environment in the college community. It works for the upliftment and conservation of trees and makes people aware of environmental problems such as deforestation, land degradation, water pollution, and global warming caused by imprudent greed of humans.

OUR VISION

To tackle the challenges of environmental sustainability, through innovative methods, translating that into action on campus and beyond.

MISSION

To create a new morrow through the knowledge, creativity, good willing of our college community, creating borderless learning and work life for our students, where their leadership abilities are brought to the fore front in initiating innovative works on sustainability so that they succeed as leaders after graduation.

AIMS

- Motivate students to value their environment
- Encourage students to assume responsibility of their environment
- Encourage positive peer influence
- Strengthen collaboration among students
- Develop life skills (communication, interpersonal relationship, decision making, critical thinking, coping and self-management)

The main objectives of the club is to

- Create awareness in minds of young learner about environment.
- To sensitize young students to observe the environment and understand.
- The important of healthy environment and roles in protecting it.

Program schedule

Sl no	Events	Estimated time
1	Inauguration (song, lighting lamp)	9.30AM-9.40A.M
2	Rally begins	10.00 A.M
3	End of Rally	01.00 A.M

On 24th March 2018 by RRIT GREEN CLUB had organised the rally on “**MARCH TOWARDS SUSTAINABILITY**”, Chikkbanavara in order to create awareness among the students and public. About 100 children had gathered and the event started at 9.30am by seeking the blessings of almighty. Later, the rally began at 10.00a.m. All the students are divided into four groups and sent to different areas such as chikkbanavara, 8th mile, jalahalli cross, Janapriya apartment. Along with rally, students collected money from the public for social cause and later the whole amount was donated to “IDL foundation (Blind School)”. And also students distributed samplings to the public. All the children actively participated in all the programs and made the program fruitful.

REPORT ON GREEN CLUB ACTIVITIES AT S.S GHATI

ACTIVITY-1

Date: 28/01/2020

Green club committee has organized an event an Awareness to the government school children located at Bangalore Rural Doddaballapura S S Ghati Melina Juganahalli.

Programme was started at 3:00PM on 23/01/2020 chief guest of the programme was Prof. Ranganathan B A and Guest of honour was Manjula Rudrappa, Head of primary school.

All green club Coordinators and school children's were taken part in the event. Lighting of lamp and invocation song was followed by 8th standard school childrens. Manjula Rudrappa, Head of School has spoken about importance of event and also birth day of Subhas Chandra Bose. Teacher Chaitra gave speech about "Nethaji Subhas Chandra Bose".

Subhash Chandra Bose was born on 23 January, 1897 in Cuttack (Orissa) to Janakinath Bose and Prabhavati Devi. Janakinath Bose was one of the successful lawyer in Cuttack and received the title of "Rai Bahadur". He, later became a member of the Bengal Legislative Council.

Subhash Chandra Bose was a very intelligent and sincere student but never had much interest in sports. He passed his B.A. in Philosophy from the Presidency College in Calcutta. He was strongly influenced by Swami Vivekananda's teachings and was known for his patriotic zeal as a student. He also adored Vivekananda as his spiritual Guru.

Subhas Chandra Bose was an Indian freedom fighter and one of the causes to Indian freedom. He was known as Netaji. He was the President of Indian National Congress (INC) from 1938 to 1939. He attempted to get rid of British rule in India during World War II with the help of Nazi Germany and Imperial Japan. Netaji's attempt was successful. He was also recognised as the person who founded the Azad Hind Army or Indian National Army with the help of Japan in 1942.

Chief guest Prof. Ranganathan B A gave a speech on cleanliness and health hazards and created awareness on good practices to be followed to keep good health. After that Prof Deepika R, green club committee head has spoken about currents issues all over world like global warming, responsibilities of an individual in protection of greenery. At end of the function sweets were distributed to the children's.

ACTIVITY-2

Cleaning of government school campus

On 22/01/2020, 3:30PM around 20 school children's, green club coordinators and faculty members Priyadarshini H P, Ullas S L, Jagadcesha B N, Bhojgowda V T and Deepika R were taken part in cleaning government school campus.

ACTIVITY-3 and ACTIVITY-4

Sanitation awareness and Hygiene importance in villages to youths

Sanitation and hygiene are two major factors that affect our health. We know that health is a state of well being and is essential for a purposeful existence. Good health is not only freedom from sickness and diseases but a complete absence of anxiety, social and psychological tensions. If there is any deviation in harmonic functioning of our body, our health gets affected and we may get sick. The factors that may affect our health are:

1. Nutrition
2. Sanitation and hygiene
3. Genetic disorders or defects
4. Social and psychological factors

From Green club committee, coordinators met villagers of SS ghati and spoken about importance of drainage systems in the villages and also maintaining clean environment in surrounding areas to maintain good health.

INTRODUCTION

The Green Club which has the student members strives to develop love of nature and adventure and to instil awareness of the environment in the college community. It works for the upliftment and conservation of trees and makes people aware of environmental problems such as deforestation, land degradation, water pollution, and global warming caused by imprudent greed of humans.

VISION

To tackle the challenges of environmental sustainability, through innovative methods, translating that into action on campus and beyond.

MISSION

To create a new morrow through the knowledge, creativity, good willing of our college community, creating borderless learning and work life for our students, where their leadership abilities are brought to the fore front in initiating innovative works on sustainability so that they succeed as leaders after graduation.

AIMS

- Motivate students to value their environment
- Encourage students to assume responsibility of their environment
- Encourage positive peer influence
- Strengthen collaboration among students
- Develop life skills (communication, interpersonal relationship, decision making, critical thinking, coping and self-management)

The main objectives of the club is to

- Create awareness in minds of young learner about environment.
- To sensitize young students to observe the environment and understand.
- The important of healthy environment and roles in protecting it.

Report on

World-Free-Plastic Day & Cleanliness Drive on 4/9/2019

RRIT NSS Unit Conducted World Free-Plastic Day & Cleanliness Drive at RRIT College surrounding roads and campus with the help of BBMP word No.12. Around 50 NSS volunteers assembled at 11.15am in front of civil block for a group photo. The NSS program Officer addressed the gathering and informed the importance of cleanliness and motivated the volunteers to the initiative of World Free-Plastic Day. The entire team of Volunteers were divided in to two groups, first group named as “Mahatma Gandhi” group and second group named as “Subhash Chandrabose” group. Six faculty coordinators monitored the two groups in their assigned work.

BBMP sent two BBMP trucks and 10 BBMP workers for the program. With the help of BBMP the RRIT NSS Unit successfully organized cleanliness Drive on 04/09/2019. The NSS volunteers removed plastic and partheniem plants along the roads. After completion of the work refreshment (Lunch) was arranged to all volunteers.
