

RRIT Mechanical Research Centre Details

Congratulations to the Research scholars for being conferred Doctorate degree under Mechanical R & D centre Affiliated to VTU.

Name of the Research Scholar: Dr. Pavan Kumar Reddy

USN: 1RI17PMA01

Research Title: “Performance of organic Rankine cycle zeotropic mixtures of working fluid based on parabolic solar collector”

Guide: Dr. Mahendra K V

Name of the Research Scholar: Dr. Pranesh K G

USN: 1RI16PMJ05

Research Title: “Investigation of the effect of Nano-silica on Mechanical Properties in Fiber Reinforced Polymer-Carbon/Kevlar/Epoxy Hybrid Nanocomposites”.

Guide: Dr. Channabasavaraj. S

Name of the Research Scholar: Dr. Bommanna

USN: 1RI13PME05

Research Title: “Study of Fibre attrition during Direct extrusion compression moulding of Natural fiber reinforced Thermoplastic composites”.

Guide: Dr. Mahendra K V
